

September Uniform Q&As

- **Can my children still wear their logoed PE t-shirt?**
 - Yes they can.
- **What colour trainers do Nursery and Dynamos need to wear?**
 - Black preferably
- **Does it have to be a book bag, can my children bring in a rucksack?**
 - Children do not need a rucksack as they do not need to bring PE kit and rucksacks take up too much space at school. Book bags cost £5 as opposed to a Smiggle rucksack for £40!
- **Can my child wear white logoed polo shirts as we've already bought them?**
 - Yes they can.
- **Can I just buy t-shirts and joggers from a supermarket?**
 - Yes you can. We have done this deliberately to keep the costs as low as possible.
- **Do the black trainers have to be branded, like Nike?**
 - Absolutely not! Plain black trainers are available from ASDA for £9, Matalan for £12, Sainsbury's for £14.50, M&S for £21
- **Is it ok if a simple hair bobble isn't school colours?**
 - Yes but we would want hair bands, clips or bows to be in school colours only.
- **I've already bought the old style green PE t-shirts, is it ok for my child to wear them?**
 - Yes it is.
- **Do we still need to name all of the items of uniform?**
 - Yes please. Although there won't be any changing for PE, children still take off jumper and cardigans during the day when they get warm. A name helps us re-unite lost items with their owner!
- **My child is starting Yr6, do they still need to have a book bag?**
 - Large bags do not fit in the children's lockers (yr5 & yr6) so a book bag is ideal. However, if your child has a small black, grey or green bag then this would be acceptable.
- **Can the new school hoodie be worn for school?**
 - No, but they can be worn as part of the PE uniform (and they are cheaper than supermarkets)

PE Uniform Item	Price Range
