Dear Parents

Thank you for taking the time to respond to our uniform survey. The results were really informative and have been used to help our Governing Body write a new Uniform Policy.

The Governors expect all children to comply with the school uniform rules and wanted to give parents as much notice as possible about the changes for September.

Our new uniform policy is designed to allow all families, regardless of their financial situation to send their children to school dressed smartly and appropriately.

The main changes are the range of items that you can choose from for your child to wear and the fact that the only item that needs to have the school logo on is the jumper/cardigan.

All other uniform items are non-logoed and can be purchased from all major supermarkets at very reasonable prices.

From September there will be a compulsory uniform for PE for all children. Child can wear their PE kit on their PE days - this removes the need to change at school and avoids lost and missing PE kit!

Governors have ensured that all items are affordable and easily attainable. From January you will be able to buy the logo jumper/cardigan from a local shop as well as ordering it online.

The policy is attached to this letter so that you have plenty of time to be prepared for the new school year.

We can't wait to see all the children looking smart every day!

Best wishes

Nikki Evans
Headteacher
