

This term we are learning...

History: As historians, we will learn about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.

Art: As artists, we will learn about the visual elements of flowers, including shape, texture, colour, pattern and form. We will also explore various artistic methods, including drawing, printmaking and 3-D forms, using paper and clay.

Science: As scientists, we will learn about the uses of everyday materials and how materials' properties make them suitable or unsuitable for specific purposes. We will also begin to explore how materials can be changed.

Design Technology: As learners, we will learn about making and strengthening structures, including different ways of joining materials. We will be creating our own beach huts.

Homework

Please read DAILY with your child. It only needs to be for 10 minutes but it will make a huge difference. Share what you have read with us on Seesaw.

Homework and Spellings will be put on Seesaw every week.

Spellings are set on a Wednesday and homework will be set on a Friday.

P.E.

Please see your child's Seesaw messages and classroom doors for the PE days.

Don't forget to wear your PE kit for school on those days. PE will be outside.

Maths

The children need to know their 2, 5 and 10 times tables by the end of the year.

Reading

Children should be at reading stage 10 by the end of the year.

Writing

Children should be writing sentences with a capital letter, finger spaces and a full stop. This year children will learn to join their letters together. They should also start to use other forms of punctuation such as ? , ' and !.

Year Two
