

Year Three

Emperors and Empires

In History, we will be studying Emperors and Empires with a focus on the Romans. We will learn about the growth and decline of the Roman Republic and the Roman Empire. We will discover the absolute power of the Roman emperors and study the hierarchies of Roman society and the Roman army. We will study the first invasions of Britain in 55 and 54 BC and the Roman conquest of Britain in AD 43. We will learn about Boudicca's rebellion, Hadrian's Wall and the Romanisation of Britain, including how Christianity came to Britain and investigate the legacy of Roman Britain in our local area. To complement our work in school, there will be a trip to the Corinium Museum more details to follow on the MCAS app.

In Science, we will study the Plant Nutrition and Reproduction project, identify parts of plants and their function. Our investigations will include observing fibrous roots and taproots and investigate how water and nutrients are transported in plants. We will create the life cycle of a flowering plant and learn the parts and functions of flower parts. We will learn how to ask scientific questions.

In art lessons will link to our Science work as we work on the topic of Beautiful Botanicals. We will create natural weavings, prints and beautiful and detailed botanical paintings of fruit.

PE Days

D3 PE days are:
Monday, Wednesday and Thursday.

D4's PE days are:
Tuesday, Wednesday and Thursday.

D5's PE days are:
Wednesday, Thursday and Friday.

Please make sure you wear PE kit for these days.

Other info

It is vital for children to read between 10-15 minutes every day. This can be recorded as a parent comment or video on Seesaw.

Homework is set on Seesaw every Friday for those who wish to continue their learning outside the classroom.

Spellings will be set on Wednesdays after school. Children will have their weekly spelling test every Wednesday morning.

Children will be set a task to help them with their Mini Maths Test on a Tuesday. They will then have their weekly Mini Maths Test based on this skill the following Tuesday.
