Note from Nikki

This week Mrs Casemore and I have had the absolute pleasure of observing lessons. There are two stand out findings from this - the first is that our teachers are fab! They work really hard to make sure that children have the best opportunities to learn in a fun and interesting way. The second is that behaviour of the children in lessons is excellent. No learning is lost because of disruptions in lessons. Children try their best and work hard. Thank you for everyone's efforts - what a lovely way to spend the week. Just a reminder about our homework policy at Moseley. We are required by the Department for Education to provide homework for children, but research knows that completing homework has little impact on learning at this age. We also believe that family time is really important and consequently we do not reward children for completing homework nor punish them for not. If you do want your child to do homework and struggle to get it done at home, please remember that homework club is free for all on Monday after school. We have a lot of children whose parents have not chosen their lunch choice at the moment. We are going to send a poll to see if parent would be happy for KS2 children to select their own lunch each morning. It will be sent out on Monday so please complete it if you can.
