

Everything You Need to Know About Nursery

Our Curriculum

Your child will learn through a range of experiences and activities that cover the *Early Years Foundation Stage curriculum*. There are seven areas of learning. Throughout the year you will be able to find out what your child is learning using the **Seesaw app**.

Communication

School will send out messages via email and using the my child at school app. It is essential that you **download** the app and allow **notification** so that you don't miss any information. If you can't access the app once your child has started please contact the office urgently.

Attendance & Punctuality

Your child must attend Dynamos **every day and arrive on time**. If your child is poorly, you must inform the office, giving a reason for this absence. Please collect your child on time.
