### Note from Nikki

Our school has been buzzing with excitement, adventures, and unforgettable experiences – and I just couldn't resist sharing a few of the highlights with you all. First up, our brilliant Year 2 children had the most fabulous trip to Skegness! The sun came out, the sea breeze was refreshing, and the joy on their faces as they dipped their toes in the sea and explored the seaside was simply priceless. From building sandcastles to chasing seagulls (and maybe the odd ice cream or two!), incredible memories were made. A huge thank you to the amazing staff who gave up such a long day to make it happen – your dedication means the world, and it's something the children will remember for a long time to come. Meanwhile, Year 5 have been out on a very different sort of adventure – they visited Safeside, where they learned all about staying safe in the world around them. From road and fire safety to spotting everyday hazards, the children were completely engaged and came away with some important life skills. It's a fantastic step in preparing them for greater independence as they get older and look ahead to secondary school. As always, I'm so proud of how our Children represent the school when they're out and about – their enthusiasm, curiosity, and good manners shine through every time. Next week we will be holding our Sports Day and family Picnic - the forecast looks good so fingers crossed for nice weather!
