### Note from Nikki

What a joyful week it's been here at school - and what a pleasure it was to welcome our brand new Reception families! We know starting school is a big step for our youngest children (and their grown-ups!), and we are absolutely thrilled to have them join our school community. Behind the scenes, we've also been busy bees making preparations for the next academic year. As part of this, we always take great care in how we organise classes. One thing we do every year is ask the children to jot down the names of their friends - this helps us ensure that every child has at least one familiar face with them when they move classes. It really does make a difference in helping them settle and feel confident in their new group. A huge thank you to all of you for being so accommodating with the changes to the gates and school entrance routines. We know these things can take a bit of adjustment, but your support has made it all run so smoothly. The children have been absolutely fantastic too - they're confidently heading to the right doors, and the whole school has had such a calm, settled feel at the start of the day. It's a lovely way to begin our mornings!

As always, thank you for being such a supportive and positive school community. We really do feel lucky to have you all on this journey with us.
