#### **Note from Nikki**

What a fantastic week it's been — the schools halls have buzzed with the laughter and chatter of eager learners, and I couldn't be more proud of our start to the new term. A heartfelt thank you for your support with the **new gate arrangements**. The system has worked brilliantly: children have been calm, settled, and ready for learning right from their first lesson. The shorter gate-opening window also means everyone is much safer — a big win! 📱 ✨

Here's what's new and exciting:

- **Summer Building Works**

What a busy six weeks we've had! The ICT Suite is now gone — and in its place, we have a stunning **glass-fronted training suite**. It looks absolutely fantastic, and I can't wait for you to see it. 🖥️ 🏠

- **EDGE Club Transformation**

We're currently transforming part of the school into a brand-new **EDGE Club space**, designed to be welcoming and efficient for children arriving before and after school — and for parents dropping off. We anticipate it will be ready by **October half-term** and believe it will be a much-improved experience for everyone involved! 🌀 🧠

- **Clubs Launching Next Week**

Most of our after-school clubs are nearly full — but there's still time to book! Please use the **MCAS App** to register your child. And by the **end of next week**, you'll find all our **school trips listed on the app**, too. We hope this makes planning easier and helps you budget for the year ahead. 📅 📱

- **End-of-Day Pick-Up Reminder**

A polite reminder: when collecting your child at the end of the day, please **wait patiently** until the teacher sends them to you. This helps us ensure a safe, calm, and orderly dismissal for all students.

#### **Reminders /Dates for the diary**
