A Week of Pride and Sunshine!

What a fantastic week it's been here at Moseley Primary! As always, I am bursting with pride for our wonderful school and the brilliant young people who fill it with energy, curiosity, and joy.

First and foremost, a huge congratulations to our Year 6 pupils, who have completed their SATs tests with such confidence and determination. You've shown real resilience and maturity, tackling each paper with a calm focus that has impressed us all. We couldn't be prouder of your efforts! A heartfelt thank you to the Year 6 staff team as well, who have supported the children every step of the way—not just with their learning, but with encouragement, kindness, and care. The teamwork and dedication have been truly inspiring. I'd also like to extend my thanks to our Governors, who have been instrumental in overseeing the security and smooth running of the SATs administration. Their careful attention ensures that everything is done properly and professionally, giving our Year 6 children the very best environment in which to succeed.

On a lighter note, our Year 1 children had a fabulous time on their trip to The Black Country Museum. What a wonderful day of 'living history' it was! The children were fascinated by the sights, stories, and experiences of the past—there were smiles all round and some brilliant questions asked. Thank you to the staff and volunteers who made the day so special.

Finally, it seems we're being treated to a spell of gorgeous weather—and long may it continue! With the sun shining, we'd like to remind everyone to send children to school with a sun hat, suncream applied before school, and a water bottle to keep them hydrated during the day. Let's enjoy the sunshine safely!
