Note from Nikki

Welcome back to school! It has been lovely to see all the children return with big smiles and lots of energy. They have settled in quickly and are already working hard and learning well in their classrooms. Thank you so much for your patience and understanding during the building work. We know that drop off and pick up times have been a little tricky, and we really appreciate your support. As the weather gets warmer, please remember that all children must bring a water bottle to school each day. They should also wear a sun hat, and suncream should be applied at home in the morning before school. A gentle reminder that school starts at 8:45am. It has been a shame to see some children arriving late, as they miss out on important learning at the start of the day. Please do your best to arrive on time so your child can begin the day calmly and confidently. We hope you all enjoy the long weekend. We look forward to seeing the children back next week, ready for more great learning!

Message from Mr Kennedy –

Now the weather is getting much warmer, P.E will still happen outside so sun cream and hats are advised, and water bottles are needed.
