Friday 11th April 2025

Note from Nikki

It has been a really full half term, jam packed with trips, visits and stacks of learning! We have ended the half term with an annual visit from the Local Authority to check our work and audit our provision. Today we received the report from them, and it is just lovely! It is a real reflection of what our whole school family achieves - thank you to parents for the part that you play in making this such a successful school. We hope that you have a lovely time off as we break for the holidays today. When you all come back on Monday 28th April there will be a change to the way that you can get in to school. We are having work done to widen the pedestrian path round to the classrooms. This will mean for the first week back that the path will be out of bounds while the contractors finish their work. For one week, all families will need to enter school through the KS2 gate and walk around the building. We are really sorry for the inconvenience but once finished, the work should make the entry and exit from school much easier. Have a lovely holiday, and if you celebrate it, Happy Easter.
